What? Taekwondo Ninja Camp is a five-day camp designed specifically for kids. This Camp is an accelerator program. Each day of camp counts as 5 CLASSES and many students (up to purple belt) should be ready to belt test directly after the week of camp! During this week, students receive specialized training in Taekwondo and are taught exciting games and drills to develop their speed, stamina, and technique. KC Taekwondo Academy emphasizes the development of character through the integration of our tenets of Taekwondo. Includes new surprise NINJA Events every year! New students welcome!

Extreme TKD Weapons Camp is a five-day camp designed to develop students' skills with trick Taekwondo and an assortment of weapons including Nunchuck, Bo Staff, Sword (Katana), and Tonfa! Students will also learn tumbling and trick techniques and demonstration specific maneuvers. Each student will take home their own set of padded or wooden weapons to safely practice with.
